

# 2024 ANNUAL MEETING

May 20-22, 2024 San Francisco, CA

## ALI Annual Meeting Special Event Sponsorship Package

Each year, The American Law Institutes brings its members together at an Annual Meeting to discuss and vote on the Institute's Restatements of the Law, Principles of the Law, and Model and Uniform Codes. The membership body of the ALI is made up of state and federal judges, general counsels of *Fortune 500* companies, law firm and government lawyers, as well as academics, each dedicated to the ALI's rule of law mission.

For the 2024 Annual Meeting, the ALI invites sponsors for the New Member Welcome Dinner and Membership Reception. These events offer ALI members and sponsors a chance to network and connect outside of the working sessions at the Meeting.

By sponsoring these two premier events you'll align your firm's brand with excellence, innovation, and leadership in the legal field and demonstrate your commitment to advancing the law. Sponsorship at any level provides invaluable opportunities for networking as well as brand exposure to a diverse audience of legal professionals through signage, digital promotions, and event materials.

For more information on ALI event sponsorship opportunities contact Kyle Jakob at [kjakob@ali.org](mailto:kjakob@ali.org) or 215-243-1660.
